SANTA'S LIST-A-CROSTIC

Solve this puzzle as you would solve any other crostic, by answering the clues and transferring the letters to the diagram. When the puzzle is completed, 10 song titles (plus the company behind the holiday special) will appear in the diagram reading horizontally, and the name of one of the singing characters will read vertically, starting in box 2. The first letters of the answers will reveal a hidden message as well.

A -- Root beer ingredient

___ ___ ___ ___ ___ ___ ___ ___ ___ ___
